

Everything I Own

You sheltered me from harm
Kept me warm, Kept me warm
You gave my life to me
Set me free, Set me free
The finest years I ever knew,
We're all the years I had with you

And I will give everything I own,
I'll give my life, my heart, my home
I will give everything I own
Just to have you back again.

You taught me how to love,
What its all, all above
You never said too much
But still you showed the way
In my new, I'm watching you
Nobody else will ever know
The part of me that can't let go

I will give anything I own
I'll give up my life, my heart, my home
I will give everything I own
Just to have you back again

Is there someone you know
You're loving them so
But taking them all for-granted
You may lose them one day
Someone takes them away
And they don't hear the words you long to say

I would give anything I own,
I'll give up my life, my heart, my home,
I will give everthing I own
Just to have you back again
Just to touch you once again
